

# If someone is **threatening** or **harassing** you online:

## BLOCK

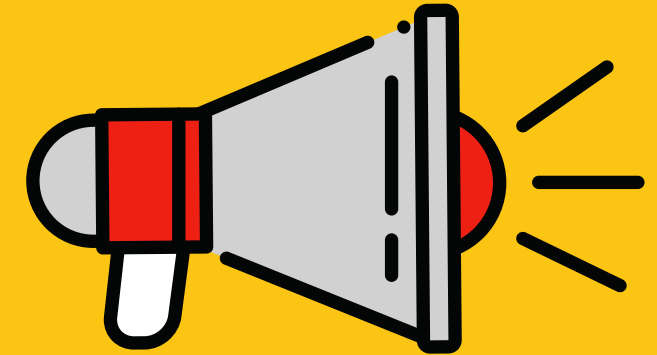

Instead of responding to the person bothering you online, immediately block them. **DO NOT** send them money or anything else they request.

## TELL SOMEONE

It's important to tell a trusted adult what happened. This can be a family member, sponsor, teacher, or any adult you trust. You can also text "THORN" to 741741 to confidentially speak with a trained counselor.

## REPORT

If anyone asks for sexual images or videos from you, that is abuse and it is not okay. Click on the "report" button. You should also talk to an adult about calling 9-1-1 to file a police report.

Report any incidents to:

**National Center for Missing and Exploited Children (NCMEC)**
